

JUMBO JET UTILITY LIGHT

SPECIALTY LIGHTING INC.

1825 Galveston Street - Grand Prairie, Texas 75051
Telephone: 972-642-9818 • Fax: 972-237-9085

SERIES 2129

Similar to Model 2128 "JUMBO JETLITE" except with coil cord and cigar lighter plug for use with vehicular, aircraft, boat power or portable battery pack.

Ideal for rough duty applications where AC power is unavailable and very high intensity lighting is needed.

FEATURES

- Switch protected by neoprene cover.
- Wire guard or glass lens protects bulb.
- Heavy duty coil cord.
- Light weight but built to take abuse.
